Reporting of results

Please note that you will only be notified if your child tests positive for Covid-19 on their supervised lateral flow test. Notifications will not be sent for negative test results.

Consent

If you have already given consent for your child to have supervised asymptomatic testing in schools previously then you do not need to give consent again. However, if you did not give consent for your child to be tested last time and you would like to now, please could you complete the consent form. Likewise, if you wish to withdraw consent you will also need to update your preferences by filling out the consent form again.

The consent form can be found on the school website along the banner on the top of the home page, or by following this link <https://www.westpark.derby.sch.uk/covid-19-consent.php>
Please read the accompanying information before giving consent.

Flu Vaccination

Consent for the flu vaccination has to be given to the Derby City Immunisation team. If you haven't already given consent and would like to, the consent form can be found on the school website under the 'Latest news and forms' tab on the right hand side.

Please note – pupils will **only be given the flu vaccination** if the immunisation team have consent from you.

If your child is having just a Covid test or just the flu vaccination, they still need to arrive at the time stated above.

Thank you for your support in this matter and can we take this opportunity to wish you and your families a merry Christmas and a happy new year!

Yours Sincerely

Miss J Clamp
