21st July 2022

Dear West Park Families

Epraise Reward System

We would like to inform you of our exciting new reward system that will be launched in September. The platform is called Epraise and is an online service for schools that helps parents/carers to engage more with their children's education.

You will receive an email from Epraise over the summer holidays which will explain how to register and enable you to log in to your dashboard to view your child's achievements and rewards. Please ensure that you check your junk/spam folder.

We will be adding additional information via the IT Hub on our website that will help you to register and utilise the Epraise Reward System.

Once you have registered, you will also have the ability to view your child's information on the website or by using the Epraise mobile app, which can be downloaded via the app store.

When you have logged in, please use the 'help section' at the top of the page in order to access guides and tutorials which will assist you in navigating around the site.

Should you require any further information or help regarding the Epraise system, please contact ICT Support via our website.

Yours sincerely

Kevin Lane

Mr K Lane
