Dear West Park Families

I hope that you are keeping well and that your child/children have had an enjoyable start to the school year.

For the last few years, we have been working with a charitable organisation called 'Positive Social'. Positive Social work in schools with the objective of helping young people make wise choices when it comes to social media, protecting them today and safeguarding their futures.

Positive Social will be running an information session for parents/carers and school staff. This session will take place on Monday 14th October from 7:45 p.m. to 8:45 p.m. If you would like to attend this session, or receive further information, please click on the link below.

Thank you again for working so proactively with us to support your child/children.

Kind regards
