10th September 2025

Dear West Park Families

I hope that your children have had a positive start to the academic year. I am very proud of how our pupils have settled back into West Park life this term.

We are constantly looking to develop and improve our beautiful site to provide the best for our staff and pupils.

As part of these developments, we have installed electronic traffic gates at the Park Road entry/exit to the site. The Park Road car park will only be accessible with a staff key fob. This will give us added site security and peace of mind for families.

Please be mindful of this when you are dropping off/picking up children.

Kind regards

Scott McGregor
Head
