Dear West Park Families

I hope that you are keeping well and that your child/children have had an enjoyable year as part of the West Park family.

During this term we have been working with a charitable organisation called 'Positive Social'. Positive Social work in schools with the objective of helping young people make wise choices when it comes to social media, protecting them today and safeguarding their futures.

Positive Social will be running an information session for parents/carers and school staff. This session will take place on Wednesday 12<sup>th</sup> July at 4:00 p.m. If you would like to attend this session, please complete the form which is accessible through the link below:

<https://www.westpark.derby.sch.uk/news/2023/positive-social-information-session.php>

This session will last for approximately 1 hour and will take place in the Main Hall.

Thank you again for working so proactively with us through this academic year.

Kind regards

Scott McGregor
