Dear West Park Families

Please be aware that we have had reports of older youths being in the area wearing masks and balaclavas. These youths can be threatening and pose a significant risk to others in our community.

Please remind your child/children to walk to and from school sensibly and to be aware of their surroundings. Any information should be fed through to the school so that we can take appropriate action and safeguard our pupils.

We are working with the community police to ensure that we can bring a stop to this anti-social behaviour.

Take care.
